CODE ACROSS THE WORLD!

- http://www.codeforamerica.org/codeacross-2014/

- Theme - Beyond Transparency

- February 21-23
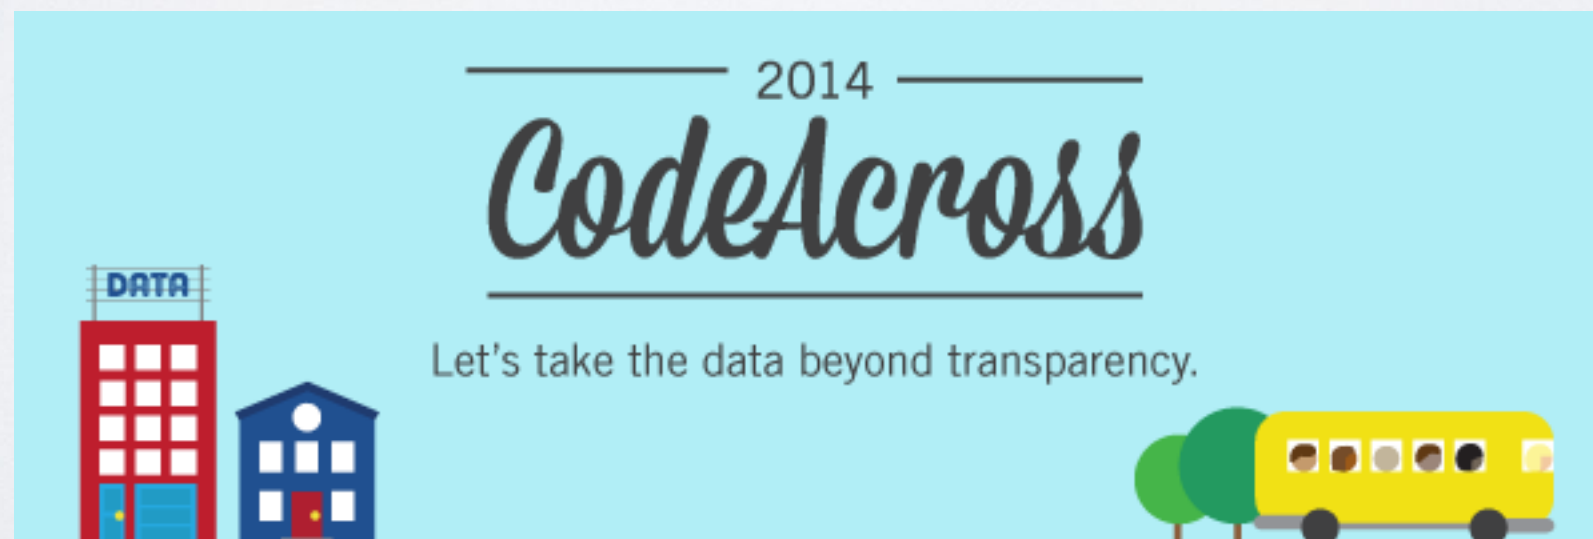

DECEMBER HACKATHON

- Got a ton of attention from the city

- Great feedback

- Opened new doors for brigade

- goo.gl/3n6R7Y

SINCE THEN

- Downtown Achieves

- Clark High School Sumo Robots

- MFV (Mobile Food Vendor)

- Parks and Rec. (Part II)

PARKS AND REC.

- Met with people behind the data

- Taught us some requirements they had

- Committed to getting us the data.

MFV (MOBILE FOOD VENDOR)

- Started as a CFA fellows project

- Rails App

- Open Source

SUMO ROBOTS?

- Jan. 22 City Council

- Clark High School

- Arduino + Servos $\cong$ Killer Robots

SCRATCH FOR ARDUINO
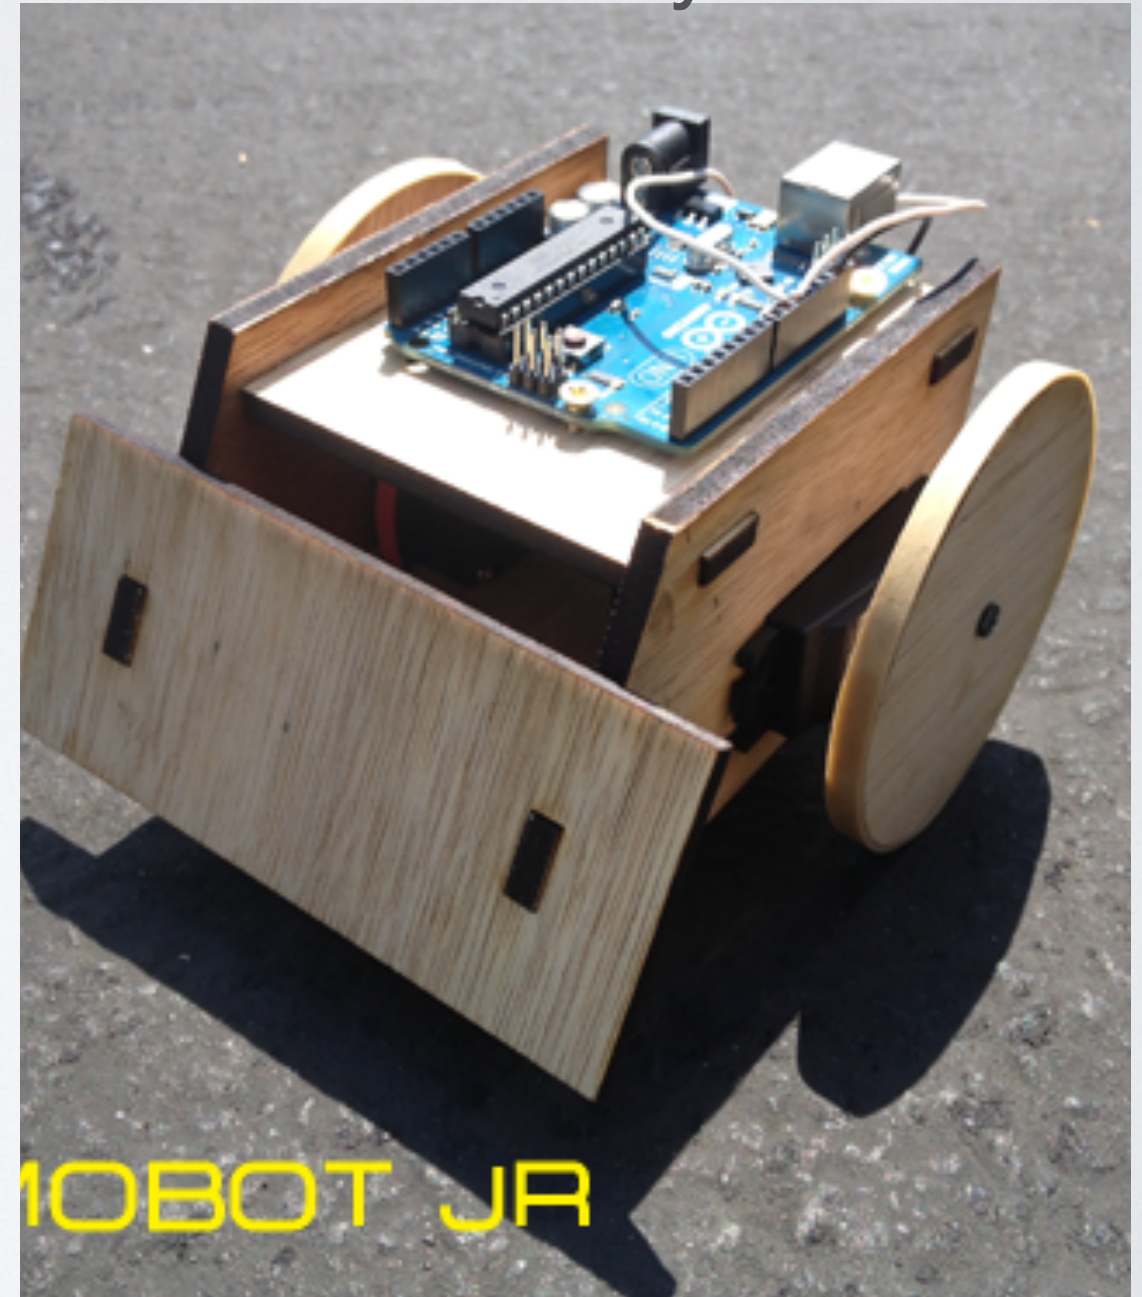

http://s4a.cat/

GOAL

Would Love this

More likely this

MOBOT JR

PHOTO - GITHUB.COM/MAKENAI

DOWNTOWN ACHIEVES

- http://downtownachieves.org

- Collective Impact

- More brigade involvement the better
